

### Consistency

How much is acceptable?  
Users: capacity building!!

**Second Challenge: Consistency**

### Average

Some producers are worried about only one number

Chesherca

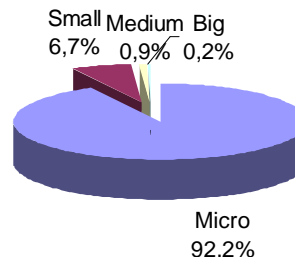

Petwellbeing

### Precision

Significative figures in LC datasets

### Distribution of Companies Sizes in Brazil

• 164.324 extraction and manufacturing

• Lack of LC understanding

• **Third challenge:**  
– Precise, but simple

IBGE, 2006

### Conclusion

- Precise
- Consistent
- Simple
- Transparent
- Easy to be adapted

### Thanks for your attention!
